

Louisiana Foreign Language Teachers' Association

My name is Judith Mendoza-Aransay, and I am the Vice President of the Louisiana Foreign Language Teacher Association (LFLTA) in the State of Louisiana. All the board members, working together as a team, are in the process of organizing our next Annual Conference, at the moment. This Conference has the purpose of providing Professional Development to World Language teachers across the State to ensure the quality of education our state students deserve. The Conference is also an excellent opportunity for World Language teachers in your area to share their wealth of knowledge with each other and to create a support network.

On behalf of our association, I would like to extend an invitation for our upcoming conference on January 19th and 20th, 2024, at the Hilton Hotel in Baton Rouge, to your World Language teachers. I would also like you to consider providing the necessary funds for them to be able to attend. Here is the link for registration:

If you believe that you have a rockstar World Language teacher at your school, please encourage them to send us a proposal to participate as presenters (lecture or roundtable). This is the link to applications:

For this Conference we are extending our invitation to present to principals and supervisors, to share guidelines on how to make and manage a successful World Language program in a school district. Use the same form to send your proposal.

Thank you!

Judith Mendoza-Aransay
